

2017-2018 AMRA Motocity AMA Arizona Off Road State Championship Series Supplemental Rules

The 2017 AMA Racing rulebook and these Supplemental rules will govern these events.

ARTICLE 1. CLASSES 1
ARTICLE 2. COMPETITION MEMBERSHIPS AND NUMBERS 2
ARTICLE 3. TYPES OF RACES 3
ARTICLE 4. GENERAL RULES 4
ARTICLE 5. POINTS RULES 5
ARTICLE 6. MINI SERIES SUPPLEMENTAL RULES 10

ARTICLE 1. CLASSES

1. Riders will be divided into the following Championship classes. **NOTE:** The single letter shown below, within the parenthesis (), is the class indicator.

- | | |
|----------------------------------|---|
| 1. AA | 14. Senior (40 yrs. & up) A (s) |
| 2. 86cc-200cc A (a) | 15. Senior (40 yrs. & up) B (s) |
| 3. 86cc-200cc B (a) | 16. Senior (40 yrs. & up) C (s) |
| 4. 86cc-200cc C (a) | 17. Super Senior (50 yrs. & up) A (m) |
| 5. 201cc-250cc A (x) | 18. Super Senior (50 yrs. & up) B (m) |
| 6. 201cc-250cc B (x) | 19. Super Senior (50 yrs. & up) C (m) |
| 7. 201cc-250cc C (x) | 20. Masters 60+ (L) *ride "C" course |
| 8. 251cc-open A (p) | 21. Women B - full size motorcycle (w) |
| 9. 251cc-open B (p) | 22. Women C - full size motorcycle (w) |
| 10. 251cc-open C (p) | 23. Youth C - 12-14yrs., 80cc-250cc (y) |
| 11. Veteran (30 yrs. & up) A (v) | 24. Women's Beginner *no points |
| 12. Veteran (30 yrs. & up) B (v) | 25. Sportsmen *no points |
| 13. Veteran (30 yrs. & up) C (v) | |

2. All riders must display the correct background color, number, and letter (class indicator above) for their class and division on all three number plates. Examples: 1p, 37v, 5L, 22s

Sportsman/Women's Beginner: White background, Black numbers (no letter)
60+: White background, Black numbers and letter
Novice (C): **Green** backgrounds, White numbers and letters
Amateur (B): **Yellow** background, Black numbers & letters
Expert (A): **Red** background, White numbers and letters
AA: **Blue** background, White numbers

3. It is the rider's responsibility to enter the proper class. Failure to do so will result in the loss of all points earned. Example: if you ride the "A" class locally or normally, you must enter the "A" class in the AMA Arizona State Championship series.

- a. **AA Class:** The top 10 riders in overall points from the prior year will be moved up to the AA class or remain in the AA class for the following season. In addition, any rider with prior Pro or AA riding experience from an AMA sanctioned organization or any "A" rider from a recognized series can voluntarily enter the AA class. Any rider in the AA class failing to earn top ten overall points for the year has the option of moving back to the appropriate A class the following year. No Comp'd entries will be allowed in the AA class. Payback to AA participants shall be 100% payback (AMRA rider fees are not deducted from the AA purse).
 - b. An **Expert (A)** rider is the highest of the sport classification of desert riders. He or she is experienced, skillful and has demonstrated exceptional riding ability.
 - c. An **Amateur (B)** rider is a rider with desert experience and moderate ability. An Amateur rider accumulating ten (10) transfer rides prior to the mid-point in the season will be required to move to the Expert (A) class. If the rider accumulates ten (10) transfer rides after the mid-point of the season he may continue to participate as an Amateur for the remainder of the current season and move up to Expert (A) for the next race season. If an Amateur rider finishes in the top 25% of the Expert Class, that rider will automatically be moved up to the Expert Class or at the discretion of the Competition Committee and/or Steward.
 - d. A **Novice (C)** is a rider with minimum experience. A Novice rider accumulating five (5) transfer rides prior to the mid-point in the season will be required to move to the Amateur (B) class. If the rider accumulates five (5) transfer rides after the mid-point of the season he may continue to participate as a Novice for the remainder of the current race season and move up to Amateur (B) for the next race season.
 - e. The **Sportsman** class is for first time racers or riders that want to compete just for the fun or to ride with a child or friend without the pressure of the higher classes. At the discretion of the Steward, a rider may compete in this class indefinitely. Clubs are encouraged to keep the race course shorter for this class. This class receives no points. Trophies will be awarded for the top three (3) overall. No Divisions will be recognized.
 - f. **Women's Beginner** is open to any female on any cc 2 wheeled motorcycle over the age of 15. This Division will run the 85 mini course. This Class receives no points. Trophies will be awarded for the top three (3) overall. Entry fee for this class will be at the Club's discretion but not to exceed \$35.
4. Any rider may petition to the Competition Committee to be reclassified.
- a. Rides for transfer can be accumulated in non-consecutive calendar years.
 - b. A transfer ride is defined as finishing in the top 25% of your Division and Class (i.e. 250 B) or the top 10% of your Class alone (i.e. B Class) or at the discretion of the Competition Committee and/or Steward.

ARTICLE 2. COMPETITION MEMBERSHIPS AND NUMBERS

1. All entrants competing in AMRA events must have a current AMRA Competition Membership. Competition Memberships can be purchased by the individual rider from AMRA for twenty dollars (\$20) per number.

- a. A competition membership is valid for only one Division (i.e. 30+). Competitors wishing to compete in another (change) Division must purchase another competition membership.
- b. In **co-sanctioned events**, riders from the co-sanction organization will not be required to purchase an AMRA competition membership.

2. All Big Bike entrants competing in AMRA events must have a current **AMA membership card and show proof at each event**. Failure to produce proof of AMA membership during registration will require the rider to purchase an AMA membership at the event before they are eligible to race.

3. **Earned number** assignments are based on your season points total in your Division during the previous season. Numbers are assigned based on your season points total in your Division, regardless of Class. For example, if you run in the 30+ Division in the C Class, your earned number is assigned based on how you rank compared to all the 30+ Division riders in all Classes, i.e. A, B and C. If you move Divisions, i.e. 30+ to 250, then you do not run your assigned number from the 30+ Division.

- a. A rider does not have to run their earned number. If a rider chooses to not run their earned number then that number cannot be run by anyone else.
- b. Numbers, with the exception of earned numbers, are given out on a first come first serve basis. Previous year's members will be given a 30 day window to reclaim the previous seasons race number, any number not reclaimed during the 30 day window will be given out on a first come first serve basis. You do not have to request your earned number.

ARTICLE 3. TYPES OF RACES

1. **Points Races** - Hosting clubs may choose any of the following race formats for their AMRA Arizona State Championship Points event. Race format must be communicated at the riders meeting and/or within the rider instructions.

- a. **European Scrambles** - A closed course of not less than sixty (60) minutes running time for all finishers. To be considered a finisher, riders must receive the checkered flag and have completed a minimum of one (1) lap for every two (2) laps completed by the leader of their class. The race will be stopped when the leader finishes.
- b. **Desert-Cross** - A closed course not less than one-half (1/2) mile in length with variable types of natural terrain including open desert, sand washes, and manmade obstacles. Such man made obstacles may include but are not limited to: log crossings, rock piles, tractor tire obstacles, water crossings, sand pits, jumps, whoops, and berms. All man made obstacle sections must be completely defined by banners, hay bales, plastic snow fencing, ribbon, and/or natural boundaries. To be considered a finisher, riders must receive the checkered flag. The event may be run as a heat race at the discretion of the host club. The race will be cut off after the leader finishes. Practice and/or a parade lap are allowed in a Desert-Cross.
- c. **Desert Scrambles** - An open course of not less than one (1) hour and not more than three (3) hours in total running time. Desert Scrambles require that a portion of the course be ridden at least twice and a minimum of 50% single track and or 50" trail be used in the layout of the course. The sponsoring club is to lay out the course in such a manner that a maximum of 30 mph average is not exceeded by the top 5% of the total entries. If the 30 mph average is exceeded by more than the 5% then the sponsoring club will be subject to a \$100 fine by the Competition Committee. To be considered a

finisher, riders must receive the checkered flag and have completed a minimum of one (1) lap for every two (2) laps completed by the leader of their class. The sponsoring club may at its discretion require contestants to complete more laps than required by AMRA. Cut off times are left to the sponsoring club and must be announced at the rider's meeting. AMRA highly recommends that all riders not suffering mechanical difficulties be allowed sufficient time to finish the race.

- d. Grand Prix - A closed course of roughly five (5) to twenty-five (25) miles with variable types of terrain including paved roads, open desert, sand washes, and a motocross course. Additional unusual obstacles (water, buildings, wood, bridges, killer hills, etc.) are recommended. The race must be at least one hour running time for all finishers. To be considered a finisher, riders must receive the checkered flag and complete a minimum of one (1) lap for every two (2) laps completed by the leader of their class. The Grand Prix may be run as a heat race at the discretion of the host club. The race will be cut off after the leader finishes. Practice and/or a parade lap are allowed in a Grand Prix.
- e. Hare and Hound - An open course a minimum of sixty (60) miles with either individual loops (clover-leaf) or open-ended (point to point) course, and it should not be run over any area more than once. All Classes need not be required to go the same distance. To be considered a finisher, riders must receive the checkered flag. Cut off times are left to the sponsoring club and must be announced at the rider's meeting. AMRA highly recommends that all riders not suffering mechanical difficulties be allowed sufficient time to finish the race.
- f. Hare Scrambles - A closed course using trails and paths over natural terrain. The course should be between two and a half (2.5) and forty (40) miles long. Unless otherwise instructed at the riders meeting, riders must not ride more than twenty (20) feet from the course marking arrows. If two arrows are positioned on each side of the route, riders must remain between the arrows. To be considered a finisher, riders must receive the checkered flag and have completed a minimum of one (1) lap for every two (2) laps completed by the leader of their class. The sponsoring club may at its discretion require contestants to complete more laps than required by AMRA. Cut off times are left to the sponsoring club and must be announced at the rider's meeting. AMRA highly recommends that all riders not suffering mechanical difficulties be allowed sufficient time to finish the race.
- g. Non Time Keeping Qualifier - An open course consisting of transfer sections and test sections. A transfer section is defined as a portion of the course where a specific speed average must be maintained, with points assessed for completing the section both too early and too late. In order to ensure that no time keeping is necessary, speed averages through transfer sections should be set so that the slowest riders can stay on time riding at a continuous trail riding pace. It is permissible to vary the speed average for the different skill levels. Test sections are defined as portions of the course where riders abilities are assessed by either timing the section or establishing a speed average that most if not all riders cannot achieve. When timed separately, test sections can be located within transfer sections. If the event is run as a 'start control' enduro, test sections are established by increased speed averages, and are separate from transfer sections. Test sections can be preceded and followed by either a transfer section or another test section. There is no maximum or minimum length for test sections, but there must be at least two test sections that assess points or time to every 'C' rider, with at least one scored to the second (emergency check). For the A and B riders, there must be at least four test sections that assess time or points to every rider, and at least two must be scored to the second. To be considered a finisher, AMRA sanctioned Non Time Keeping Qualifiers will be scored in accordance with the respective AMA rules and regulations in effect the same year as said race. Riders not completing the entire course will be scored behind the last rider to complete the next test section.

2. **Non-Points races.** Other events such as Motocross, Enduros, Hill Climbs, Night Races, and Field Events may be sanctioned by AMRA. The suitability of an event for inclusion (paying points) in the AMRA Arizona State Championship will be determined by the Competition Committee on a case-by-case basis.

ARTICLE 4. GENERAL RULES

1. The minimum age for amateur riders is 12 years. In all off-road events, a rider must be 14 years or older to ride motorcycles above 250cc. The age of the rider is determined as of the date of the event, except in youth competition.

2. If the rider is less than 18 years old, the Parent, Legal Guardian or Authorized Adult must be present to sign the entry and release forms, and AMA and AMRA membership applications, along with the rider.

3. No rider shall use more than one motorcycle for the same division in any AMRA points paying event. The bike the rider is on when the race officially starts is the one the rider must ride. In the case of two points events being held on the same day or two consecutive days, a different motorcycle may be used at each event.

4. A rider cannot enter and ride the same motorcycle in more than one division at the same time.

5. PIT BIKES, GOLF CARTS AND/OR PIT RACING OF ANY TYPE WILL NOT BE TOLERATED AT ANY EVENT. OFFENDERS ARE SUBJECT TO IMMEDIATE DISQUALIFICATION. Pits include those areas within one hundred (100) yards of automobiles, pit personnel, race officials, and race equipment. Larger pit areas may be defined by the sponsoring club.

6. Photographs taken at AMRA events are the property of AMRA and may be used for promoting the AMRA series and its clubs without the consent of the rider. All photographers/media must obtain AMRA media credential.

7. Tear-offs are not allowed for use in AMRA sanctioned events taking place on public lands or where their use is not permitted by the land owner / manager / promoting club. Use of tear-offs is subject to approval of land owner / manager / promoting club. Promoting club should clearly indicate on flyers, riders meetings, etc. whether tear-offs are permitted or not.

8. **Rider's Meetings** are mandatory. Special safety precautions, unusual hazards, stop checks, road crossings, course markings, etc., will be re-emphasized. Any special rules, such as speed limits in pits, no passing zones, and tortoise exclusion areas will be disseminated to the riders, either verbally, or with written handouts. A random roll call will be taken. If a rider's name is called and he/she is not in attendance, that rider will have thirty (30) seconds added to his/her total time at the end of the event. The participant is ultimately responsible for information discussed at the rider's meetings.

9. **Tech inspections** are mandatory. All riders must complete technical inspection prior to the start of the race. It is the responsibility of the promoting club to appoint a Tech Inspector. If a club fails to do so, AMRA stewards may appoint a Tech Inspector, who has the power to require compliance with AMA, AMRA and the presiding land managers rules regarding motorcycle safety and equipment before a rider is allowed to compete. AMRA requires that at a minimum, tech inspectors verify compliance with safety equipment, bike number/letter/

background, transponder placement and the rules pertaining to the class and division entered.

10. Starts and Flags:

- a. The condition of the course and terrain shall determine the method of starting. If possible, starts should be made in an open area off of the course. The exact start procedure will be explained at the riders meeting.
- b. All crew members and support personal must be clear of the start area prior to the start of the event.
- c. The AA class will start in the first row, followed by the remaining "A" classes. The remaining "B" classes will follow, then remaining "C" classes. Complete classes can be combined to start fewer waves.
- d. In all enduro events, AA riders will start corresponding to their earned number from the prior season 1A, 2A, 3A, etc... Additionally, there will be no gaps (missing riders) in the AA rows. Post AA entries must be used or AA riders must be moved-up to fill all gaps in AA rows prior to the start of the event. AA (earned number) riders that fail to pre-enter jeopardize losing their reserved starting position and starting on a later AA row.
- e. Flags that may be used in a desert race:

BANNER start of race
GREEN start of race BLUE all riders kill engine
YELLOW caution for a bad danger, do not hold position
RED stop or wait at road crossing.
BLACK disqualification of rider, or to stop a rider
WHITE one lap to go
CHECKERED finish of race.

11. Course Markings

- a. Courses shall generally be marked with fluorescent pink ribbon and directional arrows.
- b. Dangerous sections may be marked with down facing arrows and danger markings "X". Very few dangers will be marked because everything is dangerous. Only ride what you can see! BE CAREFUL!
- c. Riding within approximately ten (10) feet to either side of the marked course is allowed except when definite markings exist (banners, berms, turns, or hazards). When two (2) banners or markers exist, the rider must pass between them. Roads, jeep trails, etc., within the allowed ten (10) feet may be used unless specifically prohibited at the rider's meeting. Tighter restrictions can be imposed (especially by the landowner or manager); however, the sponsoring club must announce these tighter restrictions at the rider's meeting.
- d. A sponsoring club may designate a "holding" or "wait for finish" area. Racers entering this area will be scored in the order in which they arrive. Riders waiting for leaders to finish will be required to wait in these areas until released in an orderly manner by host club officials. There will be no racing to the finish line from this area. No protests from those entering this area will be allowed.

ARTICLE 5. POINTS RULES

1. Towing - A rider whose motorcycle will not run may be towed to the finish while the race is in progress only by another rider who is entered in that race. A rider towed more than ten percent (10%) the length of the race will not be considered a finisher.

2. Move-ups

- a. When advancing to a larger Division (i.e. 200 to Open Division), a rider may regress one Class (A to B or B to C) at the discretion of the Competition Committee and/or Steward.
- b. If a rider moves up a Class either voluntarily or at the discretion of the Competition Committee, (i.e. from C to B or B to A), the rider may take their points with them but only for the same Division or at the discretion of the Competition Committee.
- c. A rider may not take their points with them when moving down a Class (i.e. from A to B). Nor can a rider take their points when changing Divisions within a Class. (i.e. Open A to 30+ A). Only worker points are transferable.

3. In **co-sanctioned events**, riders from the co-sanction organization will not be required to purchase an AMRA competition membership. If these riders do not purchase a membership they will not receive season points for the race and the next available AMRA member will receive the points in their place. For example, if non-AMRA member co-sanction riders finish in 1st and 3rd place, with AMRA members finishing in 2nd and 4th place, the AMRA members would receive 1st and 2nd place points. This applies to both division and overall points classifications.

4. Overall scoring (as well as class scoring) shall be based on total elapsed time (from time of start to time of finish) and total laps completed. It therefore may be possible that the first rider to receive the checkered flag may not be the overall winner.

5. Overall points will be based on the following point's schedule:

- a. In order to earn Overall points at an event, a rider must finish in the top 20 overall. It is possible for a rider to earn Overall points and Class Championship points, except AA class riders. AA riders can only receive points towards the Overall Championship. AA class points will not be kept.

Finish /Points	Finish /Points	Finish /Points	Finish /Points
1 - 30	6 - 15	11 - 10	16 - 5
2 - 25	7 - 14	12 - 9	17 - 4
3 - 21	8 - 13	13 - 8	18 - 3
4 - 18	9 - 12	14 - 7	19 - 2
5 - 16	10 - 11	15 - 6	20 - 1

6. Class points will be based on the following points schedule:

Finish	EXPERT (A)	AMATEUR (B)	NOVICE (C)
1	300	200	120
2	279	185	108
3	265	175	100
4	256	167	94
5	247	160	89
6	239	154	85
7	232	149	81
8	226	145	77
9	221	141	74
10	216	137	71
11	211	133	68

12	207	130	65
13	203	127	63
14	199	124	61
15	195	122	59
16	191	120	57
17	188	118	55
18	185	116	53
19	183	114	51
20	181	112	49
21	179	110	47
22	177	108	45
23	175	106	43
24	173	104	41
25	171	102	39
26	169	100	38
27	167	99	37
28	166	98	36
29	165	97	35
30	164	96	34
31	163	95	33
32	162	94	32
33	161	93	31
34	160	92	30
35	159	91	29
36	158	90	28
37	157	89	27
38	156	88	26
39	155	87	25
40	154	86	24
41	153	85	23
42	152	84	22
43	151	83	21
44	150	82	20
45	149	81	19

7. Worker Points: All series participants, **EXCEPT AA CLASS RIDERS**, must work one (1) event to be eligible for yearend class championship awards. If a racer does not participate in a designated club work day prior to the race or work the actual race, the racer shall not receive worker points for the year end standing. Should a racer reach the end of the season and the race they are scheduled to work is canceled or rescheduled making it not possible for he/she to work, the racer would not receive worker points, but will still be eligible for yearend awards if they have participated in 50% of the season races. Awards and earned numbers will be assigned based on the eligible riders only. It is the club's discretion as to whom and how many non-club members are allowed to work the club's event. e. Worker points will be assigned after the last race of the season for all series participants who worked an event. Each club must provide a list of everyone (both club and non-club members) who worked their event within 72 hours of their event. Worker points will equal the average of a rider's two (2) best finishes for events actually ridden during the racing season. All riders can only receive worker points once per season. Riders cannot earn worker points in an event he or she competed in. **AA riders** can receive worker points for an event if they choose to help with their clubs event (no point's penalty for working).

8. Club Points: In addition to worker points, all members of AMRA recognized clubs, who have been bona fide members for at least 50% of the racing season, will receive an additional fifty (50) club points to be added on to their season total. All clubs must submit a list of eligible members within 72 hours of the completion of the last race of the season.

9. Drops: The series Overall championship will count the rider's scores from all rounds. Riders in each individual class championship (other than Overall/AA) will drop their one (1) lowest score.

10. Award Eligibility: In addition to Paragraph "7" above, all series participants must race 50% of the series (number of) events to be eligible to receive season end awards (trophies). If event total is an odd number, the total will round down.

11. Protests:

- a. All protests will be decided by the Competition Committee. This Committee will have final determination in all matters brought before it. If the Steward is unable to resolve any disputes arising between the promoting club and the contestants, then it shall be the duty of this Committee, upon receipt of a written protest, to investigate and make a final decision.
- b. Protests may be submitted whenever verbal communication fails to bring a decision satisfactory to all parties.
- c. The Competition Committee will notify all parties involved after receiving a written protest. This notification will be made in writing no later than the next regularly scheduled meeting, and/or three (3) weeks after receiving the protest. The notification will specify the time and place of the Competition Committee meeting that will resolve the protest.
- d. All protests (whether of the rider, machine or rule violation) must be clearly stated in writing and signed, and be accompanied by the appropriate protest fee. Protests, except scoring results not posted the day of the race, must be made on the day of the event. They must be presented to the appropriate steward and/or the club promoting the event no later than one (1) hour following the termination of the event in question.
- e. Protests about scoring results that are not posted the day of the event must be submitted within five (5) days of the posting of the results.
- f. Protests involving rule violations or the actions of the promoting club must be clearly stated in writing and be accompanied by a protest fee of fifty dollars (\$50.00). If the protest is found valid (in favor of the protestor), the protest fee will be returned to the person making the protest. If the protest is declared invalid (against the protestor) then the protest fee is forfeited. The Competition Committee will decide who receives the protest fee; the protested club, the AMRA treasury, or some other deserving party.
- g. Protests involving another rider must be clearly stated in writing and be accompanied by a protest fee of fifty dollars (\$50.00). If the protest is found valid (in favor of the protestor), the protest fee will be returned to the person making the protest. If the protest is declared in favor of the protested rider, this rider will receive the protest fee (\$50.00). g. Protests regarding displacement of engines must be made in writing and accompanied by a fee of one hundred fifty dollars (\$150.00). If the official referee decides for the protestor, then the fee will be returned. If the referee decides for the rider being protested then the fee will be given to the person being protested. h. A protested motorcycle shall be impounded by the respective AMRA Steward at the time of protest and held by the said Steward until protest dispute is properly disposed. Alleged displacement violators shall have the right to request tear-down and

measurement by an impartial motorcycle shop. Should the motorcycle shop find in favor of the protested contestant then the protester shall pay all tear-down and assembly costs.

12. Appeals:

- a. All members of AMRA may appeal to the Competition Committee any decision made by any promoting club or any AMRA official. This Committee will have final determination in all matters brought before it.
- b. Decisions and actions made by host club officials and AMRA Officers (i.e. disqualification, change in finish position, etc.) may be appealed to the Competition Committee. The appeal must be made in writing and be accompanied by a fifty dollar (\$50.00) appeal fee. The appeal must be made within five (5) days of the posting or announcement of the club's decision.
- c. Decisions and actions by AMRA officials (i.e. disqualification because of pit crew pit racing, etc.) may be appealed to the Competition Committee. The appeal must be made in writing and be accompanied by a fifty dollar (\$50.00) appeal fee. The appeal must be made within five (5) days of the action.
- d. Decisions made by a Tech Inspector may be appealed to the Competition Committee. This appeal must be made in writing and be accompanied by a fifty dollar (\$50.00) appeal fee. The appeal must be made within five (5) days of the action.
- e. A member may appeal the Steward's decision regarding classification to the Competition Committee. This appeal may be in writing or heard at any regular meeting of this Committee. There is no fee for this appeal. The member may appeal his classification at any time.

13. Power of Stewards: The Stewards have the power to disqualify riders even though no protest has been lodged. All event officials and AMRA Officers have the power to disqualify Pit Racers. Riders and Parents may be disqualified for unsportsmanlike conduct at the discretion of the Stewards.

ARTICLE 6. MINI SERIES SUPPLEMENTAL RULES

1. All of the rules and regulations from the AMRA AMA Arizona State Championship Series Supplemental Rulebook apply to Mini's unless trumped by one of the following supplemental Mini Rules.

- a. Minor participants must have at least one legal guardian present at the time of registration and during the entire event.
- b. All miniseries participants must have a signed event wavier, or a yearly AMA mini wavier to participate in each event. AMA issued mini waivers based on the calendar year, so you will need to update your mini wavier mid AMRA race season.
- c. Miniseries is for participants 14 years of age or younger.
- d. Class structure is as follows:

Divisions/Classes (Ages) Displacement, Max rear wheel size, and Background/ Number Color/ Letter Assignments

1. 50cc (4 to 6)

- 50cc to 90cc 4 stroke 50cc 2 stroke
- Max. 12" wheel Yellow/Black, "P"

2. 50cc (7 to 9)

- 50cc To 90cc 4 Stroke 50cc 2 stroke
- Max. 12" wheel Yellow/Black, "R"

3. 65cc (7 to 9)

- 60cc To 111cc 4 Stroke 60cc to 65cc 2 Stroke
- Max. 12" wheel Green/White, "K"

4. 65cc (10 to 11)

- 60cc To 111cc 4 Stroke 60cc to 65cc 2 Stroke
- Max. 12" wheel Green/White, "J"

5. 65cc-85cc (11 to 14) Girls

- 60cc To 150cc 4 Stroke 60cc to 105cc 2 Stroke
- Max. 16" wheel Blue/White, "W"

6. 85cc (9 to 11)

- 80cc To 150cc 4 Stroke 80cc to 105cc 2 stroke
- Max. 16" wheel Black/White, "Z"

7. 85cc (12 to 14)

- 80cc To 150cc 4 Stroke 80cc to 105cc 2 stroke
- Big Wheel White/Black "G"

8. 65 cc-85cc Open

- 60cc To 150cc 4 Stroke 60cc to 105cc 2 Stroke
- Big Wheel Red/White

d. Numbers are to be black on a stock or white background when colored backgrounds are not installed so that promoting clubs can use colored tape to indicate rider class. Numbers are assigned on a first come first serve basis. Riders may choose to run their earned number from previous year. If a rider chooses not to run their earned number, the number will not be reassigned.

e. Mini Series, 50cc 4-6, 65cc 7-9, 85cc 9-11 Division/Classes to use Novice Class Points Schedule, 50cc 7-9, 65cc 10-11, Girls, 85cc 12-14 Classes to use Amateur Class points schedule

and Mini Open class to use Expert Class points schedule. To be considered a finisher the rider must take the checkered flag; 50% lap rule from big bikes does not apply to mini riders.

f. A rider's age at the first scheduled event of each race season will determine their age for remainder of the year. A rider may move to the next higher age class in the Youth Division only if they will be eligible to do so at any time during the year. Once a rider moves to the next higher age class in AMA or non-AMA competition, they may not move back to the lower age class. Riders are encouraged to determine at the beginning of the points season/year the age class they will participate in for the points season/year. Points earned in a lower age class won't transfer to the higher age class. Riders may not move up and/or down from any class on the last points race event of the year.

g. Course lengths/layouts and race schedule at the discretion of the promoting club. Minimum 20-minute race times for all classes, maximum at the discretion of the club.

h. Trophies shall be awarded per event as follows: 50cc: 100%, 65cc: 75%, and 85cc: 50%. Finisher pins, etc. for all participants.

i. AMRA membership is required. Transponders will be required for most events and can be purchased for twenty dollars (\$20.00).

j. Entry fees are at the discretion of the club, but not to exceed \$35.

l. All series participants must race 50% of the series (number of) events to be eligible for series year end awards Note: for 2015-2016; this is defined as four (4) races assuming a seven (7) race series.

m. A maximum of one (1) 'drop' will be allowed for the 2017-2018 Mini Bike series.

n. Riders and/or family and pit crew who direct foul and abusive language to an official of the sponsoring club, organizer, AMRA official, or district official are subject to disqualification for the entire meet.

****end of rulebook****

****Notes****

AMA (base) rulebook states that you don't have to take checkers to be a finisher but all supplements do. You have to take the checkers!

If you are a AA rider and finish outside of the top 20 overall, you don't get points. There is no AA points standings, only Overall points standings, and only the top 20 finishers at each event get Overall points. This is how it's done in NHHA.

All entrants competing in AMRA events must have a current AMRA Competition Membership, unless co-sanction.
